

**2008 INTERVIEW QUESTIONNAIRE FOR:
CAMP NORTHWEST
Counselors, Kitchen, and other Staff**

Dear Pastor,

In accordance with the advice of The Christian Law Association, we have added this interview questionnaire to give some added protection to Camp Northwest in case of a law suit concerning child abuse. We do not want to demean or show disrespect to anyone by asking these questions, but we ask that you help us better protect ourselves by conducting this interview with the counselors and staff coming from your church. These following questions are to be asked by the Pastor of the church in a personal interview with each counselor or staff member that is coming to serve at Camp Northwest for summer camp.

Please mail this interview back to us and we will keep it confidential in our files until next year's camp-time. Do not sign the Staff Application Form until you have completed the interview and feel confident that the person is not a risk to children or teens, as a camp counselor, kitchen worker, or other staff worker.
